

Position Details

Position Title **Nipper Equipment Manager**

Reporting To **Nipper Director**

Position Overview

To monitor and maintain all Nipper equipment to a safe usable standard in readiness for season start, weekend activities and competitions.

Operational Objectives

Complete an assets register of Nipper equipment with quantities of each item.

Liaise with Director of Nippers and Nipper Age Managers as to requirements each week.

Organise purchase of required equipment and update assets register. Name all club equipment and place stickers on club boards. New high dollar value assets to be put onto assets register.

Monitor Nipper boards and liaise with board repairer (Stan Davies 2024-2025) for any major board repairs (including handles.)

Maintain all Nipper related equipment as required.

Skills & Experience

No experience required, just be prepared to monitor on a weekly basis throughout the season and to liaise with committee.
